Are you trying to find new business partners in Central Europe?

Do you want to connect with future business prospects, generate new leads, grow your list of potential customers and meet top decision-makers from large international corporations or meet some Slovak start-ups?

The Slovak Investment and Trade Development Agency (SARIO) invites you to the international event from the series SARIO Business Link — Slovak Matchmaking Fair Nitra 2019, which will take place on May 22, 2019 during the 26th International Engineering Trade Fair in Nitra, Slovakia.

B2B MEETINGS

Bilateral business negotiations based on pre-planned schedule received beforehand.

3 ENGAGING PANEL DISCUSSIONS

- People for smart industry qualification & education for high-tech industry
- industrial Innovations Made in Slovakia
- Technology changes the mobility of companies

The Slovak Matchmaking Fair is an international matchmaking event focusing on bilateral negotiations between local and foreign companies in the field of mechanical and electrical engineering industry as well as other closely related industries.

WHY SHOULD YOUR COMPANY PARTICIPATE?

- present your innovative ideas
- meet numerous prospective international and Slovak cooperation partners in a single day — reducing the amount of time and money for finding new partners
